WILMINGTON, MASS. THURSDAY, SEPTEMBER 2, 1971

FIFTEEN CENTS

## 40 - COUNT 'EM - 40 POLICE HAVE HELMETS

Wilmington Police Officers who reported for duty last night were issued some new equipment. Each patrolman, in a squad car for last night's duty had with him riot gear - helmet, riot sticks, and gloves.

Forty sets arrived yesterday, and were to be issued as needed by Sergeant Charles Ellsworth.

These were sets of riot equipment for which the police of Wilmington and their friends had demonstrated, ten days ago.

Police Chief Paul Lynch attended the Selectmen's Meeting Monday night, and told the Selectmen that the riot helmets and equipment were on order, but that delivery takes time. The three sets in his office were there, he said, and it took no real effort to get them. The only item in his office that was really under lock and key, he told the Selectmen, were the drugs, and even then the Drug Officer, Joseph Cuoco, had a key.

Lynch afterwards spent five minutes with the Selectmen in executive session.

WHAT A WELL DRESSED TOWN MANAGER WEARS: Sterling Morris demonstrating to the Board of Selectmen one of the new riot helmets that were in the Police Chief's office last week. Carl Backman Jr., at right, Selectman Chairman, is obviously enjoying the joke.

## Crusaders take Third in Mayflower League

The Wilmington Youth Crusaders, Drum & Bugle Corps, took Third Prize, in the 9th annual Mayflower Circuit Championship Finals, held in the Dilboy Stadium in Somerville, on August 29th.

The top drum and bugle corps and drill teams of 1971 were in the competition for the coveted Mayflower Championship Flags. The finals started at 11 am and lasted until 5:30 pm.

Points accumulated by the corps during the 1971 competition determined which teams would be eligible for the finals. Both the Wilmington Swordsmen and the Crusaders were selected to compete. At the end of the afternoon the thousands of spectators were still on hand to witness the 1700

JOHN V. HODGDON  
ABOARD USS HUNLEY

Navy Petty Officer First Class, John V. Hodgdon of 15 Veranda Ave., is now deployed to the Western Pacific aboard the submarine tender USS Hunley.

His ship will serve as a mobile base for submarines operating in the Pacific Area.

DOMENIC R. DANIELL  
ABOARD USS ENTERPRISE

Navy Seaman Apprentice Domenic R. Daniell, son of Mr. and Mrs. Domenic Daniell of 11 Brattle Street, participated in the first night operation which simultaneously employed dual methods to refuel and supply an underway aircraft carrier.

With the hazards of two ships steaming together at close range, the quarters intensified by South China Sea darkness, Daniell's ship, the nuclear powered attack aircraft carrier USS Enterprise, took fuel from the combat stores ship USS Sacramento by the familiar "highline" method.

At the same time, in another critical operation, the "Big E" was receiving vital supplies by helicopter transfer from the multi-mission Sacramento.

### Parents of Grade One Students (Not Registered for School)

All Grade One students who have not registered for school at any prior registration will report to the Nurses Office at the High School on Wednesday, September 8, 1971. DO NOT REPORT TO ANY SCHOOL.

Please bring all necessary documents, including birth certificate, vaccination certificate, immunization records, and dental certificate with you in order to complete the registration.

The School Year for late Grade One Registrants will begin on September 13, as placement and the balancing of classes requires two days.

Walter H. Pierce  
Superintendent of Schools

### Drum Major of the Year

Charles 'Silky' Southmayd, Drum Major of the Wilmington Crusaders has been named the Best Drum Major of the Year.

He was presented with a beautiful award, at the drum corps competition sponsored by the I.C. Rockets and Comets, in Salem, last Saturday. 'Silky' is popular with all the drum corps in competition, and receives a tremendous round of applause at every appearance. His unique style and rhythm always brings out the best in the Crusaders.

Now 20 years old, 'Silky' has only one year more, before reaching the retirement age for Junior Drum and Bugle Corps.

### J. EARLE JONES' CELEBRATE FORTIETH

On August 29th a surprise party was given for Mr. and Mrs. J. Earle Jones to celebrate their fortieth wedding anniversary. The party was given by their daughter and son-in-law, Mr. and Mrs. Robert Boyd in Winchester.

Among those attending were their son and family, the matron-of-honor, the best man and three other original wedding guests, also five grandchildren.

Guests came from Wilmington, New Hampshire, Lexington, Winchester, Ipswich, Reading and Littleton.

## Wilmington has joined Consortium for Unemployment Funds

Town Manager Sterling Morris, with the approval and consent of the Board of Selectmen, has enrolled Wilmington in an eight town "consortium" through which it is to seek a share of the \$1,880,000 Federal money package designed to ease the unemployment of eight communities.

Wilmington is joined with Burlington, Bedford, North Reading, Stoneham, Wakefield, Woburn and Reading in a partnership of communities. Mr. Morris is to be Wilmington's representative in the program. The partnership, or Consortium, will receive monies to "make work" in the area.

The money is coming from a new \$750 million allocation of federal funds, designed to provide jobs for the nation's unemployed. The appropriation is termed the Emergency Employment Act, and was unexpectedly passed by Congress on July 12, prior to the Congressional summer recess. The act prohibits states or state agencies from receiving any of the funds.

Because general authority over towns in Massachusetts is vested only in the town, and not in the county, only towns are eligible recipients of funds. Co-ordinating the program is the newly created office of Manpower Affairs, under Secretary Mary B. Newman, former Massachusetts legislator.

Her office has been reported working feverishly to distribute information to towns and cities. \$24,520,000 has been earmarked for Massachusetts, out of the total Federal funds of \$1 billion, for the fiscal year 1972 -

ending June 30, 1972.

Under the guidelines suggested by her office, the partnerships (or consortia) involving several communities are being set up, with one community designated as the Sub Agent. Burlington is the Sub Agent for the eight communities of which Wilmington is a part.

The Burlington representative, Executive Secretary Richard Brown, will act as Sub Agent. He is delivering all the affidavits by the towns, for acceptance, to Mrs. Newman and it is expected that he will receive additional information for the towns. It is expected that there are to be more meetings shortly, within the thirty day period advanced by Secretary Newman's office.

Enlistment in the Consortium of qualified towns entitles them to 90% federal funds, and they must supply the final 10%, of moneys spent. The local funds, however, may be "in kind" or "in dollars".

A works project, for example would have to be proposed and accepted, for Wilmington. Wilmington would get 90% of the cost reimbursed, and have to supply the remainder "in kind", such as the use of town owned equipment for the project, or the use of any town office as an office for the project.

The cities of Middlesex County have a separate allocation of funds earmarked to them. \$1,880,218 is earmarked for approximately 39 Middlesex towns and small cities. That is the first year's allocation, and Federal officials are projecting a second funding, for next year, to give the program a two year life span.

## SCHOOLS OPEN WEDNESDAY

The Wilmington Public Schools will open for the fall term on Wednesday, September 8th with regular sessions in all schools. Opening and closing times of the elementary, the intermediate schools, and the high school are:

High School, Grades 9-12 - 8 a.m. to 2:25 p.m.; North Intermediate and West Intermediate Schools - 8 a.m. to 2:20 p.m.; Elementary Schools, Grades 1-6 (Daily except Wednesday) 9 a.m. to 3 p.m.; Wednesday dismissal for elementary schools 1:30 p.m.

(Grades two through six will follow the usual Wednesday schedule for dismissal beginning on the first day of school).

As was the case last year, in order to avoid double sessions and overcrowdedness in some areas of town, and to permit time for the building program to catch up with the ever increasing school population, it was necessary to assign many elementary children to schools other than those in their own districts.

The bus schedule for all schools is published in this weeks paper. Buses are likely to run a few minutes late the first few days of school. Regulations governing school bus transportation are the same as in past years. The School Committee will provide transportation to any child in the

following grades who's walking distance exceeds 1 1/4 miles: Grades 1 through 8, 2 miles grades 9-12. Special arrangements for the handicapped are made by the Superintendent of Schools.

An Orientation Day for all new teachers is to be held today, and a general staff meeting for all school personnel will be held next Tuesday to prepare for the opening of schools on Wednesday, September 8th.

## Births

CARROLL: Tracee Jean to Mr. and Mrs. Frederick Carroll of 22 Lowden Ave., Somerville on August 18th at Mount Auburn Hospital in Cambridge.

Grandparent honors are shared by Mr. and Mrs. Alfred Carroll of 12 Montfern Ave., Revere and Mr. and Mrs. Thomas F. Barry of 130 Grove Ave., Wilmington.

BREWSTER: Robert James to Mr. and Mrs. James Brewster of 11 Ashton Place Methuen on August 21st at Lawrence General Hospital.

### "SPOTLIGHTERS" THEATRE GROUP TO HOLD CASTING

Wilmington's "Spotlighters" Theater Group will hold casting for its fall production on Thursday, Sept. 9th and Friday, at 7 pm at their workshop located behind the Silver Lake Pharmacy.

"Absolutely Murder" by Guernsey LePelley has been chosen for their play. It is a spine chilling mystery to be put on in November, for three consecutive nights.

Everyone is invited to try out, the lead role, or just one of the corpses lying around. Be there on Sept. 9, or 10, at 7 pm.

### - WANTED - SUBSTITUTE TEACHERS

LIKE FATHER - LIKE SON. Six years ago George Muford of Lake Street caught a 20 inch bass in Silver Lake. When the Town Crier heard of it, a picture had to be taken, and published. It was.

Yesterday his son, Lee Muford, caught a 17 inch bass.

Daddy's bass is mounted, on a board above the fireplace.

Lee's bass, at the last heard of it, was still swimming in the family bathtub. Lee caught his from Baby Beach, using a plug.

### "SUMMER REFLECTIONS" AT THE LIBRARY

Kay Kandra of Nashua, is showing some of her latest works in a new exhibit at the Memorial Library. "Summer Reflections" is a collection of watercolors showing Mrs. Kandra's marvelous versatility and her fondness for New England, in a medium in which she is particularly talented. Color tones, detail and a sensitive stroke distinguish the collection.

Former showings of the artist's works at the library have won considerable acclaim.

As in the past, all items in "Summer Reflections" collection are for sale. Further information may be obtained at the circulation desk at the Memorial Library.

## Softball News

### JERRY O'REILLY IN NATIONAL TOURNEY

Raytheon of Andover will represent Massachusetts in the National slow-pitch softball tournament to be held in York, Pa., this weekend. There will be 46 teams from throughout the nation competing in the five-day affair, and Raytheon will play its first game tomorrow night against the West Virginia State champions.

Gerry O'Reilly of Wildwood Street is the only local player on the squad, which is represented by players from neighboring towns. Raytheon won the Mass. crown a few weeks ago beating Newco of Millbury, the defending champs in the tourney held in West Barnstable. O'Reilly slammed five homers in the tournament and was selected the MVP of the state affair.

### K OF C AND DELOURY PLAYOFF WINNERS

The K of C ball club bounced back twice last weekend with seventh inning rallies to defeat the Sons of Italy in division II playoffs. Meanwhile, Deloury Con-

struction whipped McNamara Tire twice to gain the division I playoff title.

Outstanding individual performances were turned in by Nino Trimarchi (Sons of Italy), George Pratt and Steve Cail (K of C), Dick Ethier and Butch McFeeters (Deloury) along with Jim Webster (McNamara) as the fans were treated to some very exciting softball action during the finals.

### INDUSTRIAL TOURNEY SEMI-FINALS TONIGHT

Smithcraft, Compugraphic, Avco and the State Troopers advanced to the semi-finals of the Industrial Semi-Fast Pitch Tourney with opening round wins Monday and Tuesday nights.

In the lid lifter at 6:30 to-night Smithcraft will battle Compugraphic, and in the nite cap at 8 Avco will go up against the State Troopers. Tomorrow evening the consolation and championship games will be played at the Town Park.

In Monday's opening game Smithcraft jumped out to an early 4-0 lead as Jack Callandrello slammed a two run triple to highlight the big second inning rally. Sweetheart chipped away but were unable to close the gap and Smithcraft came out on top 8-4. Art Dellolacomo was the winning hurler allowing eight hits, while Jack Knowlton picked up the loss.

Compugraphic overcame a 7-0 lead to post an early round upset, win 10-7 over the Knights.

Dick Butt clouted a three run homer in the last of the fifth to highlight a six run outburst for the winners and knocking K of C pitcher Jim Hachey out of the box. Chagnon was the winning hurler, with Hachey taking the loss.

Tuesday nite the State Troopers exploded for ten runs in the second inning and then had to hang on to outslug National Polychemical, 20117 in wild game as thirty-six hits were sprayed all over the park and eleven errors were made to make things interesting. Bob Magliozzi and Paul Colburn led the Troopers attack with three hits each, while Tom Marciano and Ken Pierce had three hits each for the losers.

The Av Diamond Crystal affair was a close game until Avco scored four unearned runs in the top of the seventh enroute to an 8-4 triumph over the salt men. Berryman slammed a grand slam homer with two outs in the final inning to make it 8-3 for the winners. The final marker of the contest came on Lenny Zaccagnini's homer in the home half of the seventh. Al Hauze was the winning hurler giving up seven hits, while walking four and whiffing three. Jim Dooley took the loss despite a gutsy pitching performance.

### Boy's Flag Football

The Wilmington Recreation Department will again sponsor the popular boys flag football program for 9 to 12 year olds. The department is currently preparing for the season and will hold a meeting of all interested volunteers to coach and/or officiate in the program.

Last year, 120 boys had an enjoyable season. If you want to help, contact the Recreation Dept. (658-6512) or Fred Brack (658-4613). The meeting of those interested will be held on Wednesday, Sept. 8th at 7:30 p.m. in the Mildred Rogers School at Silver Lake.

### Immunization Clinics

The regular monthly immunization clinics sponsored by the Board of Health will resume on Tuesday Sept. 7, 1971 at Villanova Hall from 9:30 to 10:30 a.m.

These clinics are held on the first Tuesday of each month and children 3 months of age to 6 years are eligible. Immunization against Whooping Cough, Diphtheria, Tetanus, Polio, Measles, Mumps and Rubella (German Measles) are offered. A special Small Pox vaccination clinic is held in the spring.

### Joseph P. Ring Outstanding Citizen

Joseph P. Ring, of 275 Middlesex Avenue died on Sunday afternoon at St. John's Hospital after a brief illness.

A native of Salford England, he was the son of the late Michael and the late Catherine (Stewart) Ring. He was 85 years old.

Mr. Ring had lived in Wilmington for 44 years, and was an outstanding public servant, having served on many committees with honor and distinction.

During World War II he served on the Rationing Board, and later on the Wilmington Finance Committee. He served for many years on the Board of Registrars of Voters. He was also a member and past president of the Holy Name Society of St. Thomas.

Before his retirement Mr. Ring was superintendent for the Boston Consolidated Gas Company.

He is survived by his wife, Margaret A. (Morrison) Ring; five sons: Bernard F. of Manchester, Mass., J. Stewart of Wilmington, James M. of Hornell, New York, Leo L. of Lynn, Andrew (Pat) of Wakefield. Another son, Joseph L. Ring died while in the service during World War II. He is also survived by 15 grandchildren and 2 great grandchildren.

The funeral was held from the W.S. Cavanaugh & Son Funeral Home, 374 Main Street on Wednesday morning at 9:15, followed by a Funeral Mass at St. Thomas Church at 10 celebrated by Rev. Father Francis Mackin. Burial took place in the family lot in Wildwood Cemetery.

### HOME OWNERS CORNER

By Roger  
You want to make a sign in a hurry. You go to the garage, or to the cellar to find an appropriately small paint brush only to discover, that you have none on hand.

If you have time of course, now is the moment to replenish your supply of all sizes of paint brushes. But if your sign must be made in the next two minutes, here's what you do: ask your wife for a fairly large piece of cotton, a cotton swab for example. Wrap this around a stick. Voila! Instant emergency paint brush!

Discover for yourself the fantastic array of building supplies available at Sweetezy Home Courtesy Center, 615 Main St., 658-2061. We have a complete supply of all types of lumber including the hardwoods and are here to give personal service to the do it yourselfer. Hours: 8 a.m. to 5 p.m. Daily, 8 a.m. to 9 p.m. Fridays.

Helpful Hint: A cotton swab is equally handy when you need to apply some sort of glue or adhesive.

## INSURANCE INSIGHTS

By Lloyd Bender

### Insurance Agent

How does your insurance agent serve you?

Most insurance agents operate as independent businessmen. Their training and experience qualify them for appointment by one or more insurance companies. They represent these companies in their communities.

Your insurance agency analyzes the hazards that threaten financial loss to property owners. He then prescribes insurance to fit the requirements. He works in a professional manner. He diagnoses his client's needs and advises on protection.

Your insurance agent has a background of practical experience. This enables him to fit the various coverages to his client's needs. In every state,

local agents must qualify for special licenses.

In buying insurance, you are not only buying a policy. You are securing the expert services of your agent. You also have the promise of protection from the company issuing the policy.

Watch Next Week For "Endorsements and Riders"

Happiness is knowing you are fully protected by insurance! For your total Insurance Service see The Bender Agency. ## The Hatch Act

There is a statute in Massachusetts which is designed to protect the rivers and marshes, the flora and fauna, the wildlife and the birds. It is called the Hatch Act. It is an important law. Sometimes there are errors, but it well intentioned.

The law calls for public hearings before the town Selectmen or the State Department of Natural Resources when someone proposes to dredge or fill a lake, marsh or stream.

It was no accident that the first such hearing was held in Wilmington. Probably, long after Hatch Act hearings are over in other places, there will still be hearings in Wilmington. For Wilmington is the place where water flows "at right angles" eastward to the Ipswich, instead of southward in the old Merrimack River, which was cut off due to geological circumstances of 12,000 years ago, during the last Ice Age.

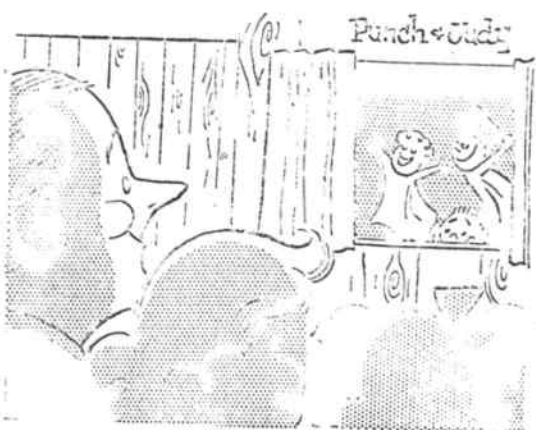

Wilmington is a place with slowly meandering brooks, swamps, lakes and ponds. There are also sandy areas, and areas of hard clay, clay hillsides, and clay pockets.

Two recent Hatch Act hearings in Wilmington have been for places with stagnant water - saucers, if the reader will accept a simile. There is a question as to whether or not the Hatch Act intended such places to become the subject of public discussion, but the hearings did bring out some public opinion - right or wrong.

One of the hearings was for an area off Federal Street where, a century or more ago, a section of the swamp was cut off by the street being constructed.

There was testimony from a home owner across the street that he had water in his cellar. Later the Selectmen were told by another person that that home owner had to pump water from his cellar six months a year.

The man with the water in his cellar deserves sympathy. But, if the cellar was not dug too deep in the first place the water would not be there. Preventing the construction of two or three homes across the street does not alter this fact.

### PANELING... FOR A PERFECT SHOW!

Paneling is something special these days. It comes in a wonderful variety of woodgrain styles and finishes, so adaptable to any room, any decor.

Perfect for the playroom or den, handsome enough for foyer or fireplace wall. Cozy enough for the breakfast corner. Hides those problem walls, adds new room beauty wherever it goes.

And yet - costs no more than fine wallpaper! See it here - this very week!

Not only is it possible that the opinion reached by the Selectmen was in error, but it is also possible that the area did not require a hearing, in the first place.

The second Hatch Act hearing was on August 30th and involved land off Glen Road. A contractor had been stopped from filling low land, which is dry most of the year. Neighbors gave testimony about water. The Town Engineer pointed out that the land is a natural basin with higher land all around. A ditch over half a mile long would have to be dug, he said, to drain the area.

Again there are questions. If the first man arrives and builds his home with the cellar too low, is the second man to be stopped? Can one expect trouble about sewer effluent, in an area such as this? What is right?

The Hatch Act brings up a lot of public discussion, some of which may be right. It places the Selectmen in the position of having to note with sympathy the pleas of persons already in the area, against the persons, who, if the vote is no, will never become a resident.

And, a bird in the hand - as the old saying goes.

## Should have been \$46

The Tax Rate of Wilmington, instead of being over \$50, should have been \$46 in this year 1971. Possibly it could have been even lower.

The Planning Board and the Board of Selectmen discussed one of the causes, on August 26th., when they discussed the 600 foot street ruling.

The subject matter was pretty well hashed over, with no apparent changes of opinion. One of the remarks made by a Planning Board member was that the subject matter was merely "newspaper talk".

That newspaper, of course, was the Town Crier. The Town Crier will re-iterate. The tax rate this year should have been \$46.

The 600 foot rule (not a law) was instigated in 1954 in Wilmington, when the then Town Manager suggested it to the Planning Board. The idea was to give the Planning Board room for maneuver in their negotiations with residential developers. A developer who wanted to make a street 700 feet long, for instance, might be induced to add some additional features, not required by law, if the Planning Board would grant that additional distance.

The Massachusetts Federation of Planning Boards picked up that rule and since has adopted it - still not a law. It is now commonplace in Massachusetts, which is really a sad mistake. It has now become a Maginot Line to be defended at all costs. It was all right for a bargaining position, but that was all.

There is a point with some humor. The Town Manager who made that suggestion to the Planning Board was Joseph F. Courtney - the same Joseph F. Courtney who is now the attorney representing one of the firms which seeks to build in Wilmington. Mr. Courtney finds that his brain child of nearly 20 years ago has grown into the position of a megalocephalic giant.

Another position that that Town Manager had was that "In order to attract, you must be attractive". Today that is largely overlooked, in Wilmington.

The Planning Board is not alone, in stopping industrial development. Other boards bear their share of the burden. If they, along with the Planning Board, had acted seriously in the past few years Wilmington's Tax Rate, this year, could well be \$44 or less.

The discussion, however, is about the 600 foot streets. Two firms, in recent years, have proposed substantial industrial development, utilizing streets that would be over 600 feet long. The streets would be sixty feet or more wide - attractive to industry, especially in that vandals and thieves find such places non-attractive.

The two men in charge of the two firms mentioned are men with a considerable experience in real estate development for industry. They have a successful record - except in Wilmington, where they have been stopped cold - mostly by the Planning Board.

It is safe to say that the two firms would have built over \$5 million each in new construction, on those two streets, by 1971. \$10 million in additional valuation, where it takes \$1 1/4 millions to cut the tax rate \$1, would mean that the tax rate could have been \$46 in 1971.

And should have been. And if additional construction had been allowed - that was stopped - such as apartment housing - the tax rate could well have been below \$46.

HATCH ACT HEARING: In the Selectmen's Meeting, Monday

## Rodney Buck of Buck Brothers Store

The Rotary Club of Wilmington formed an Honor Guard, for the late Rodney E. Buck, at his funeral Monday. Mr. Buck was a charter member of the Wilmington Club, and had served as its auditor for many years.

A lifelong resident of Wilmington and of the eighth generation of Wilmington Buck family, he died on Friday in Winchester Hospital after a brief illness. He was 78 years old, and had lived at 439 Middlesex Avenue.

He was a grocer, who for many years owned and operated the Buck Brothers Store in North Wilmington, founded by his father BOOSTERS ORGANIZATIONAL MEETING

The Wilmington High Athletics Boosters Association will hold its annual organizational meeting next Tuesday, September 7th, at President Jack Cushing's home, 3 Railroad Terrace (Grove Ave.). The meeting is listed for 8 p.m.

### BEACH CLOSES LABOR DAY

The Town Beach on Silver Lake will officially close for the season at 8 p.m. on Labor Day, Monday, September 6th. After that date there will be no lifeguards on duty and swimming lines will be taken in and the beachhouse closed.

### Dear Larz:

Last Saturday, about midnight, a crum - there is no other word for it, who was speeding on Salem Street, struck and killed the family dog.

He sped away without stopping. He has no regard for anyone but himself.

Yours very truly,  
The Elephant  
(They never forget)

If everyone were to call the doctor for every cut and scratch, bruise or bump, twinge or ache, the doctors would be so busy that they would not have enough time to take care of the big illnesses.

Here are some guidelines for when to call a doctor according to the AMA: when the patient's symptoms are too severe to be endured, call a doctor. When a minor symptom persists for more than a few days or a week, call a doctor. When a symptom returns repeatedly for no readily recognizable cause, call a doctor. And whenever you're in doubt, call a doctor, just to be on the safe side.

### NOSEY NANCY

Send your announcements to Nancy Box 288, Wilmington or call 657-7141, and after five, 658-4865. If I'm not there, I'll call you.

So.....Tonight.....the last double penny sale at St. Dorothy's at 8:15 and Ann Smith and her committee will be on the refreshment stand.....There you are, folks! Our Lady's Sodality will be holding their Cake Sale in front of Grant's Store commencing at 10:30 on September 11th.....All tired from getting those cherubs off to school? Your chance to stock up for that weekend..... plan on it!!

And.....thanks Gert! Those Kelly Lads are home on leave.....Mike from school in Texas where he is studying plumbing.....He'll go from here to South Carolina.....and Charlie who is an auto mechanic from school in Illinois to Montana to continue his schooling.....and those Lads are Air Force men.....Congratulations Boys.....and if your house is like ours.....there's some celebration there.....Does one day meet the next? Good luck in your new ventures and enjoy this vacation! Dick Cushing is home for good! He is able to walk with the aid of a cane and speaks very well. He will be going back to the hospital twice a week for therapy. Seems all those prayers were answered. So drop in and say hello.

Our Little Theatre Group is scouting for help from the on-stage to the back-stage positions. The Spotlighters have elected to a mystery comedy production this fall, called "Absolutely Murder".....sounds interesting. Why not go along to their workshop on Thursday and Friday, Sept. 9th and 10th.....there going to be casting. Their meeting will be held at their new location - at the rear of Silver Lake Pharmacy. The time?.....7 p.m.

Let's get busy with those cards.....Mrs. Rose Ritchie is in the Francis Street Nursing Home in Woburn. She is John and Charlie's mother and she'd love to hear from all of you.

Got a phone call from Mary Tedesco of Clark Street, who learned how promptly a travel agency can expedite things. Her father-in-law who is 80 years

old had wanted to go back to Italy for a vacation and Doctor Marshall said.....sure, go ahead. He was in Italy 2 days when Tony received a cablegram at 3 p.m. last Thursday saying that his father was in a hospital and very ill. Someone suggested that the American Traveller travel Agency could help in some way, so a call was put in to Lloyd Bender and he got hopping.....He called Washington, D.C. immigration department and lo and behold, Tony was on a 10:30 p.m. flight to Italy with passports and everything and he picked up his father and brought him back home and is now in intensive care unit at Choate Hospital in Woburn.....

So you see why Mary and Tony are so grateful and are singing the praises of travel agencies, especially the American Traveller. I'm happy for both of them that good old Willie still has the facilities and know-how to get things done! Did you notice how bright and cherry the square is looking these days with those flowered hats that my boys - the freight crew are sporting?.....Tch tch.....and they promised this Gal one if she'll wear it! Right on Fellas!

Had the good fortune to lunch with that Preacher Dick Harding this week and of course we talked up a storm.....about all sorts of things.....and that fashion show with the red leotards.....hmm.....well, Richard?

There's a new sign in the square: Keep off the Glass.....in the Ames News window.....Atta Boy, Joe! That friendly insurance Lad, Lenny Dobens, of N.Y. Life tells us that out of the Service recently are Bob Gagnon of 160 Lake Street and Don Smalley of Auburn Ave., and that Paul MacMelville, that career Air Force Man is on his way home for a visit. Welcome home, Fellas!

He also sent this Gal a lovely note: "Hi Mrs. Clark.....if the Silver Lake you go to is in Hollis, give me a call and I'll take you out to dinner next time you are up this way.....My wife would enjoy that. Cordially, Lenny Dobens".....Thanks Lenny.....and this Gal will take you up on that.....please lets ignore that formality - call me Nancy, now that lists you as one of my friends!.....Thanx.

By the time you folks read this.....this Gal will be lolling, reading, sleeping and basking in the sun on the rocks or beach.....this is her way of recovering and getting her wind for the next forty-yard dashes.....or hurdles or something.....so.....

Keep up the Good Work.....You're coming into Homeplate.....See you next week.....Meanwhile..... Love ya!
